22 APR 1964

MEMORANDUM FOR: Chairman, Administrative Career Board

SUBJECT : Promotion and Reassignment -

25X1A

1. I had hoped that it might be possible to promote Mr. [REDACTED] concurrent with his reassignment. Such a course of action would enhance the stature of the individual and the prestige of the position. The need to place a stronger, more senior individual in the Executive Officer position at [REDACTED] is apparent to all concerned.

2. The promotion of Mr. [REDACTED] at this time would, of course, significantly assist in the accomplishment of our over-all objective. It is suggested, therefore, that you again consider the possibility of promoting Mr. [REDACTED] concurrent with his reassignment. Promotion consideration should not, however, delay the reassignment of Mr. [REDACTED] to [REDACTED].
